## You can help.

We are re-establishing our 1954 Club and we invite you to join today.

For \$19.54 a month, you can join a community of loyal Meyer Center donors who support operations and ensure the sustainability of our school.

Families are not charged to attend the Meyer Center and 40% of our operating budget comes from private donors.

### We truly cannot do this work without you.

To enroll, scan the QR code or visit us at [meyercenter.org](http://meyercenter.org).

#### Member Benefits

- Monthly e-Newsletters with Meyer Center updates, spotlights, and happenings
- Opportunities to volunteer and network with like-minded club members
- A 54 Club car magnet to showcase your support wherever you go

The commitment is small but the benefit to our students and community is priceless.

Meyer Center  
for Special Children  
1132 Rutherford Road • Greenville, SC 29609

**70 years ago**, Dr. Leslie Meyer envisioned a place where children with special needs could learn, grow, and thrive. He saw past limitations and instead focused on each child's raw potential:

**their curiosity. humor. intellect. drive.**

He combined individualized therapies and care with classroom education so that each child could set and reach personal milestones. And time and time again, they did – and still do!

Through daily practice alongside dedicated staff, Meyer Center students are given endless opportunities to reach their full potential.

## Celebrate With Us

As The Meyer Center commemorates this 70th anniversary, we invite you to participate in our community initiatives:

- Throughout the year we will highlight our long, successful history – hosting events and sharing media.  
Tune-in to the interviews and stories that hit your inbox, mailbox, and screens
- We are re-energizing our 1954 monthly giving club. The new 54 Club gives a nod to our past while setting us up for success into the future.  
Join the club and support Meyer Center continued operations.
- We have big dreams for the future and an ambitious \$700,000 campaign goal to get us started.

Contribute to our annual campaign and help us raise \$700,000 for our 70th.

## Planning for the future

For 70 years the Meyer Center has provided outstanding education, intensive therapies, and nursing care to students for little to no cost. But the Meyer Center is so much more.

For families, we provide hope, peace of mind, and a path forward when they are unclear which direction to turn. We provide consistency, structure, and routine so both students and families can rely on a natural flow to their day. And we represent a village, complete with community, friendship, advice and support.

The Meyer Center currently has 108 students and a wait list over 90 more. Because the need is apparent, our operational goal is to establish a plan for growth and expansion.

Our long-term vision includes higher student enrollment, ancillary programming for students and siblings, and upgraded facilities to set the foundation for our next 70 years.

**Make a difference - Give today!**
